

Agency Overview

Eastern Idaho Technical College (EITC) provides high quality educational programs that focus on the needs of the community for the 21st century. EITC is accredited by the Northwest Commission on Colleges and Universities. The College is a State supported technical college created in 1969 to serve citizens in its service area by being a minimal cost, open-door institution that champions technical programs, customized industry training, basic skills instruction, workforce and community education, on-line distance education, and student services.

Core Functions/Idaho Code

Eastern Idaho Technical College created to provide professional-technical post-secondary educational opportunities. Title 33, Chapter 22
